## Message from the Parish Manager

Hello All

I hope everyone has had a great Hockey season. I'm counting the days until we have more hours of daylight than darkness.

It's been a great year, with the casino we've been able to provide better hockey training to our players. Through the power skating and dry land training our hockey players have grown and improved.

This is my last parish managers message that I will send out. It has been a fun 6 years that we have had at Annunciation. I have met a lot of people and will be friends for ever.

Hockey is a great and fun sport. It takes a huge amount of volunteers to make everything happen. Please think about coming out and joining the executive. You do not need to know anything about hockey. There are positions available for different jobs. The time that you put into making the hockey experience for you child is priceless.

I want to say thank you to all the people who have been on the board this last few years. We have come a long way in a short time and are continuing to grow. Without your time and effort we could not of had successful years.

Best of luck in the future of Annunciation Hockey

Mike Caza

## Jersey Dance:

This year's Jersey Dance was a great success! Special Thanks to those who planned and volunteered to make the evening great, thanks to the parents and the guests that came to participate in the fun filled evening and to all of our generous sponsors who donated to support Annunciation Hockey Club. Hope to see you again next year!

## 24 Hour Rule

Just a reminder for all parents, coaches and players out there, that it is the intent of the Annunciation Hockey Club to provide a fun, safe and enjoyable environment where kids learn to develop a love for the game of hockey. From time to time, there are circumstances that arise in which a parent feels that there are inappropriate actions or words spoken that do not promote the type of environment that the Club stands for.

During such circumstances, it is the responsibility of the parent to take note of the situation and create a WRITTEN report of the incident. AFTER 24 hours, they may contact the team parent rep if they feel the situation still warrants attention. If the situation is one that requires more action than the team player rep can handle, then they will pass it on to the Club Parent Rep, Rob Young.

Please help us in creating such an environment and making Annunciation Hockey a great place for hockey!

Rob Young  
Club Parent Rep  
Annunciation Hockey Club

## 2010 Beat the Box Office
