SHAREHOLDERS /ADDITIONAL LEAGUES

Shareholders deduct \$10 per league from fees. Individuals who curl in more than one league administered by the club will receive a 10% discount on the fees of their subsequent league (subsequent league will be of equal or lesser value). All fees are due the first night of curling.

REGISTRATION POLICY

- Shareholders have first right on league spots. This means that a team with four shareholders would have priority at any league.
- Then a team with 3 shareholders, 2 shareholders, etc.
- Then to a returning team from the same league.
- Then to teams moving from other leagues.
- Finally to individuals or teams that are not currently members.

To guarantee your team's place in any league, registration plus a deposit (one member's league fee) must be received on or before August 19, 2010.
