

WAYNE GRETZKY RECREATION HOCKEY AWARD
NOMINATION INFORMATION
2010 – “AA” PROGRAM

October, 2009

IN 1989, 3 trophies were donated by The City of Edmonton to George Dermott, President of Edmonton Minor Hockey Association.

These trophies are miniature replicas of the Wayne Gretzky Statue in front of Rexall Place Arena in Edmonton, AB. The trophies were designed by Mr. John Weaver, master artist, and are limited edition bronzes.

The Edmonton Minor Hockey Association has numbers 3/5, 4/5 and 5/5. We understand that Mr. Weaver has one and Mr. Gretzky has one (1/5, 2/5). We also understand that once these trophies were cast, the mold was broke and no more will ever be made.

Each year, a player from each of the “AA” program, “BB” program and Junior Program are presented with the trophies during opening ceremonies of the Quikcard Edmonton Minor Hockey Week.

Each player is nominated and chosen for scholastic achievement, community involvement, sportsmanship and dedication to the game of hockey.

This year we will be presenting the winners with a scholarship.

To nominate a player please enclose the following
documentation:

Biographical information, summary of community/volunteer service, summary of scholastics and letters of recommendations.

Nomination deadline is Dec. 11, 2009.

Nominations can be sent to the EMHA Office, 10618 -124 street, Edmonton, AB, T5N 1S3 or email jkirillo@shaw.ca.
