Lincoln Minor Hockey Association

NEWSLETTER 2009/2010 SEASON

President's Message

Well another hockey season is nearing it's conclusion which seems very strange indeed as the weather has been very unwinterlike, waiting until late in February to give us our first appreciable snowfall. All of our teams are now in either the league playoffs or still in the provincial playdown portion of their season. This year has been a very successful one for LMHA and our travel teams as we have four teams that have advanced to the Provincial semi-finals. This is one quarter of the number of representatives from our league and double the number of any other association in the Niagara Region.

The planning has already begun for next season with all of the details being posted on our associations website. I encourage everyone to visit the website regularly to ensure that you are aware of the most current information. Registration dates and information have already been posted.

I also look forward to seeing all of our players at our year end banquets where we will celebrate our season and also take the opportunity to recognize some of our outstanding players in all age groups.

I look forward to seeing everyone around the rink as we cheer on all of our teams as they negotiate their way through their respective playoffs.

Best of Luck to all of our teams and continued success,

Mark Hooper
President

Hockey Registration Dates 2010-2011

It is hard to believe another season has almost come to an end! We are now starting to gear up for the 2010/2011 season. This is a reminder that registration will be held on the following dates:

March 11, 2010 from 6:00 pm-9:00 pm

and

March 27, 2010 from 10:00 am -12:00 pm

HERITAGE ROOM

(located as you drive in to the arena parking lot).

*******Travel Only *******

The attached schedule provides you with fees for the season. There has been an increase due to ice cost increases as well as the new HST that takes effect this year. For a complete breakdown of cheques required at registration, please check the website. Hopefully, this will make things move along quickly.

Please make sure that you **print clearly** on the form as we need to make sure all the information is correct when it is put into the Hockey Canada Registry Database. We are also trying to send emails out to parents when we need to provide LMHA information. If I cannot read the email address on the registration form, chances are it will not be correct in our system and you will not receive all of the information needed. This is just one more step towards trying to communicate with our members in a more efficient manner.

PLEASE NOTE THE CHANGES IN AGE GROUPINGS FOR TYKE AND NOVICE FOR THE UPCOMING SEASON!!!

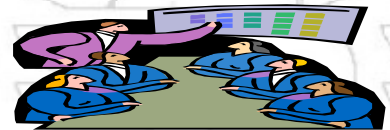

I hope you all have a safe and happy summer!!!
